ARTICLE 8 - PAID TIME OFF (PTO)

Continuous Service	PTO Hours/Month
Less than 1 year	22.67
1 year but less than 3 years	24.00
3 years but less than 5 years	25.33
5 years but less than 10 years	26.00
10 years but less than 15 years	29.33
15 years or more	32.67

Employees shall accrue PTO in their first month of employment provided they physically work at least 40 hours in the month.

Employees shall accrue PTO in their last month of employment provided they physically work at least 40 hours in the month.

8.2 Probationary Employee Utilization. Scheduled PTO will not normally be approved for probationary employees until they have completed six (6) months of employment.

8.3 Payment for Leave Accruals upon Separation of Employment. Accrued PTO shall be paid to regular employees whose service is terminated by death, reduction of force, termination, or retirement, up to a maximum of 510 hours.

When an employee resigns, accrued PTO will be paid, up to a maximum of 510 hours, provided the employee has given at least 14 calendar days' notice prior to separation of employment.

8.4 Carryover Cap. As of December 31, of each year, accumulated PTO may not exceed a total of 810 work hours. Any excess will be forfeited. Employees whose leave exceeds the maximum accruals shall have their accrual balance reduced to 810 hours effective January 1 of the subsequent year.

8.5 Scheduled PTO Approval. All requests for leave are subject to approval in writing by the Sheriff. Leave requests for a block of days off for the upcoming calendar year shall be submitted during the prior October. By November 15th, the request will be approved or denied and the copy returned to the employee. The first round of approved leaves will be

posted by November 15th. Employees will have until December 1st to submit second leave requests. Re-submittals will be acted upon and returned to employees by December 15th. Approved leaves will be posted by December 15th. This process will be conducted on a seniority basis; however, seniority will apply to the employees' first round picks, and then to the employees' second round, if any.

Dates for vacation bidding may be deferred if mutually agreed if shift scheduling for the following year is not accomplished by October.

PTO requests submitted after December 15th will be considered on a first come basis. PTO requests submitted after December 15th will be approved or denied within five (5) workdays of the sergeant assigned to the same shift who is receiving the request.

Each designated shift of employees assigned to maintain full custody inmates may have two (2) employees per shift on scheduled PTO at any given time. If granting two (2) employees off at the same time causes more than one overtime shift, only one (1) employee will be granted the time off. All corrections employees regardless of their individual shift assignment to a group of inmates are subject to the five (5)-day PTO request submittal rule as outlined in this Article.

- 8.6 Unscheduled PTO. Unscheduled PTO is limited to purposes of an emergency/urgent nature. Preventive health and dental appointments are not considered unscheduled and must be requested in advance in accordance with Article 8.5.

Unscheduled PTO may be applied for the following purposes:

- a. An employee's mental or physical illness, injury, or health condition.

- 8.8 Mandatory Minimum Utilization. One year after probationary period, employee must take a minimum of 80 hours PTO per year and in each subsequent year. Days off do not need to be sequential.
- 8.9 Physician Certificate. A doctor's certificate of illness shall be submitted by the employee at the time of the employee's return to work, when the employee is absent because of illness or injury more than three (3) consecutive working days, if requested by the Sheriff or his designee. Such requests shall be consistent with Article 12 if applicable.

- 8.10 Extended Illness Time Bank (EIT). For employees employed at the time of ratification by all parties, any existing annual and sick leave hours above 600 will be moved into an Extended Illness Time Bank to be accessed as follows:
- a. Time will be used from this bank first when an employee calls out for PTO due to illness, until the bank is exhausted.
 - b. EIT hours are not eligible for cash out upon separation.
- 8.11 Employees shall be responsible for the employee only portion of the State mandated premium fees specified in the Washington Paid Sick Leave and Paid Family & Medical Leave Law (RCW 50.04) and the Employer shall be responsible for the portion specified in RCW 50.04.

ARTICLE 9 - HOURS OF WORK/OVERTIME

- 9.1 Work Week. The normal work day consists of a 24-hour period beginning at the start of the employee's work shift. An employee's work shift shall consist of eight (8), 10 or 12 consecutive hours. The normal workweeks will be determined by the Sheriff. The Sheriff shall have the right to implement a work period consisting of a seven (7)-day work period and/or a 28-day work period.
- (a) The work week will begin on Sunday and end 168 hours later on the following Saturday. The work day shall consist of eight (8) hours or 10 hours of work and rest periods taken as the situation permits at or near the mid-point of each half shift. A regular work week shall consist of no more than 40 hours in any work week exclusive of overtime assigned, if any.
 - (b) The Sheriff and the Union may elect to schedule work on a 12-hour shift basis. If a 28-day work period is implemented, the work period will begin on the date designated by the Sheriff and end 672 hours (28-days) later. The work day may consist of 12-hours. The overtime threshold will be after 12-hours in a work day. All work performed in excess of 12 hours in a workday, or on a scheduled date off will be overtime.
- 9.2 Meal and Rest Periods. Each work day shall include a 45 minute meal period as near to the middle of the work day as practical which constitutes compensated duty time. Rest breaks or coffee breaks, shall consist of two 15 minute periods, one during the first half of the shift, the second during the second half of the shift. Employees remain subject to call throughout each work day and, in an emergency a meal period and/or rest break may be interrupted, altered or missed, which shall not result in any additional compensation.
- 9.3 Meals Furnished for Corrections Staff. Employees who work four (4) hours or more beyond their regularly scheduled shift will be provided with a meal or meal stipend (per County policy) at the discretion of the Sheriff.

- 9.4 Shift Trades. Employees may trade shifts when unforeseen circumstances arise. In such circumstances, the requesting employee must first receive approval from the Sheriff, their designee, or their immediate supervisor. Such exchange of shifts shall not by itself constitute a basis for entitlement to overtime compensation. The employees assume responsibility to ensure the trade is reciprocated. Regular salary is not affected by shift trades.
- 9.5 Emergency Shift Changes. In the event of a bona fide emergency, the Sheriff may alter the assigned work shifts by giving as prompt as possible notification to the affected employees. Employees affected by an emergency shift schedule change shall not receive overtime for working a rescheduled work shift unless the employee works in excess of 40 hours in the work week(s) involved if workweek in 9.1(a) is in effect, or over 12 hours in a day if work schedule in 9.1(b) is in effect. The Sheriff shall not reschedule assigned work shifts for purposes of avoiding payment of overtime. The term “bona fide emergency” includes a life-threatening situation, civil disorder, natural disaster, unexpected events constituting pressing community necessity, and an unforeseen employee absence due to a FMLA-qualifying event, or employee quit without notice (excluding use of earned leave under ordinary circumstances).
- 9.6 Overtime. Work performed in excess of 40 hours in a week if work schedule 9.1(a) is in effect, or over 12 hours in a day if work schedule 9.1(b) is in effect shall be compensated at one and one-half times (1.5x) the employee's regular rate of pay. For the purposes of overtime calculations and payroll documentation, the work day will be the date on which the shift began. All approved leaves shall constitute hours worked for purposes of the computation of work hours during the workweek.

The following rules will govern the assignment of overtime. Overtime shall be offered as equitably as possible, subject to the following rules:

- (a) Overtime will be scheduled in advance whenever possible.
- (b) Only one supervisor is required to be on duty at any given time. If a sergeant and corporal are scheduled to work and either calls in sick, then overtime will be offered to line staff, unless a transport is scheduled or a supervisor is required. For purposes of this section, “line staff” shall be defined as all Corrections Deputies who are not considered supervisors. “Supervisors” shall be defined as those who hold the rank of corporal or sergeant.

Overtime opportunities may be filled in any of the following ways:

- (a) By offering voluntary overtime to employees who have stated their desire to work overtime, on the overtime board. The employees on the overtime board agree to be available by phone or otherwise, and to accept an overtime request if called. Employees will take themselves out of “available status” for days when they are unavailable.
- (b) By offering voluntary hold-over overtime to those who are on-duty, such overtime shall be offered first to the most senior employee down to the most junior qualified

employee. Voluntary hold-over overtime may be assigned in this manner at the Sheriff's discretion.

Employees shall be provided a minimum of one (1) hour notice when the overtime they are scheduled to work has been cancelled. If not cancelled timely, the employee shall receive a minimum of two (2) hours of straight time pay.

- (c) By offering voluntary call-in overtime to employees who are on the next upcoming shift, these employees will be called in on the overtime list first and then by seniority.
- (d) Overtime will not be offered to or imposed on anyone who is beginning authorized PTO at the end of the shift, except when no other alternative exists.

When mandatory overtime assignment is required, it shall be subject to the following point/checkmark system:

- (a) All employees working a shift with no overtime will have zero points/checkmarks added to their total. Employees working a shift with overtime will receive a point/checkmark added to their total. A list of the point/checkmark totals will be maintained on a clipboard in the supervisors' office. When mandatory overtime is necessary, the overtime assignment will go to the employee on the shift with the least number of points/checkmarks.
 - (b) In the event of a tie, the least senior employee with the lowest number of points/checkmarks will be assigned the mandatory overtime.
 - (c) An employee's point/checkmark total increases only if the deputy has worked at least two (2) hours of overtime.
 - (d) The first day of each calendar month, the point/checkmark totals for all employees will revert to zero.
- 9.7 Call-back for Court. In the event overtime or court appearance is not an extension, either at the beginning or end of a normal shift, the minimum pay shall be three (3) hours. If overtime is for court, the employee shall not be required to perform duties unrelated unless an emergency exists. The minimum of three (3) hours shall be paid at the straight time hourly rate, with all time in excess of three (3) hours paid at time and one-half (1.5) the hourly rate of pay for time actually worked.
- 9.8 Call-back Unrelated to Court. An employee who is required to return to work after completing their regular shift and having left the premises, shall be paid, a minimum of two (2) hours at the overtime rate for hours worked.
- 9.9 Compensatory Time Off. Compensatory time may be accrued and taken in lieu of pay as provided by the Fair Labor Standards Act (FLSA). Compensatory time will be accrued with

mutual agreement of the supervisor or department head and the employee, up to 40 hours, and shall be taken off within the calendar year it is earned. Compensatory time shall be scheduled and taken off by mutual agreement and may be purchased by the County at any time, including during the 30 days prior to any change in pay status or Cost of Living Adjustment (COLA).

- 9.10 Shift Schedule. The shift schedule shall be determined by the Sheriff. The Sheriff shall provide at least 10 calendar days' notice of a change in such shift scheduling except in the event of a bona fide emergency. Notices shall be posted on the department bulletin board. This Article does not restrict the Sheriff's management right to meet operational needs by moving individual Corrections Deputies to a different regular shift temporarily in order to address staffing issues.
- 9.11 Travel Time. The employee shall be paid overtime compensation as required by the FLSA as a result of travel time to and from any authorized assignment (per County policy).
- 9.12 Kelly Days. Employees regularly working 12-hour shifts receive one 12-hour Kelly day in each 28-day work period under Section 9.1(b). The Kelly day cannot be carried from one 28 day work period to the next. Each employee must schedule use of the Kelly day, in advance, in coordination with the employee's Squad Sergeant or designee to help ensure that the employee receives the Kelly day each pay period and to minimize impact on coverage. If an agreement cannot be reached between the employee and Squad Sergeant or designee on the scheduling of the Kelly day, the Squad Sergeant's decision cannot be grieved. In the case of a conflict between two (2) or more employees wanting the same Kelly day, seniority shall be considered. In the event that the Squad Sergeant determines that the employee's Kelly day cannot be scheduled within the 28-day period, then the employee will be paid for the 12 hours.
- 9.13 Training Days.
- (a) Each squad working 12 hour works shifts will have six and one-half (6.5) designated training days each calendar year. Training days will be designated annually at the first of the year to facilitate the squad's PTO scheduling, etc. Supervisors or the Sheriff's designee will consult with their squad members in order to determine the best dates to conduct the training and provide that input to the training coordinator.
 - (b) Attendance at training is mandatory. A make-up training day may be identified if available for any squad member missing the specified training day. Except for extenuating circumstances, employees will only be given one opportunity for make-up. Failure to attend either the primary or make-up training (if one is available) will result in the employee forfeiting one hour of PTO for each hour of training missed, to be deducted from the employee's PTO bank.
 - (c) Training days are to be used for training. In the case of an emergent need, as defined by the Sheriff, training will be rescheduled and employees will be paid overtime for hours worked other than for training on a scheduled training day.

9.14 Other Provisions.

- (a) There shall be no pyramiding of overtime, Kelly time, and/or holiday (1.5x) pay. There shall be no automatically scheduled overtime as a result of normal 12-hour scheduling. Once a Kelly day is scheduled, if an employee has an unanticipated absence (i.e., unscheduled PTO) on the scheduled Kelly day the employee shall be permitted to use the appropriate leave for the unanticipated absence rather than the Kelly day and the Kelly day will be rescheduled. Kelly time instead of other paid leave will be used for an employee's unanticipated absence by mutual agreement of the parties.
- (b) If rescheduling of a Kelly day is required by the Sheriff's Office to maintain minimum staffing levels, absent mutual agreement between the employee and the Sheriff or designee, the Sheriff shall give the employee seven (7) calendar days advance written notice of the Kelly day rescheduling.

9.15 Safety Release. The Sheriff's Office will make every reasonable effort to ensure an employee will not work more than 16 hours consecutively unless deemed necessary by the Sheriff or his designee.

- (a) An employee who is required by the County to work 16 or more hours in any 24 hour work day and who is scheduled to work a work shift in the next 24 hour work day shall be guaranteed at least nine (9) hours off duty before being required to return to active duty status.
- (b) When practical, prior to working 16 or more hours in any 24 hour work day, the employee shall make the on-duty shift supervisor aware that the employee believes their current work assignment may result in the employee working 16 or more hours in the 24 hour work day.

9.16 Shift Assignments. Probationary employees will be included in the shift selection process on the basis of their date of hire as regular employees. When probationary employees are hired, they will temporarily be assigned to the shift of the individual whose departure created the vacancy they filled and will remain on that shift until the next shift bid, unless a different assignment is necessary to balance the shift. It is understood the Sheriff will attempt to assign at least one (1) woman and one (1) man on duty for each shift consistent with the departmental policies and operational needs as administered and determined by the Sheriff.

- (a) The Sheriff will determine at what intervals shift rotations will occur. The Sheriff may set a time limit on how long employees may remain on any given shift.
- (b) The Sheriff may return to a standard shift rotation and assign employees to shifts, provided 30 days written notice is given to the employees.

- (c) The Sheriff will make determinations periodically regarding the balancing of personnel on shifts based on experience and gender. The Sheriff will also provide for a split seniority list/criteria as between men and women when employee preferences are considered.

13.4 Related Benefits Coordination. Nothing herein pertains to permanent disability award.

ARTICLE 14 - BEREAVEMENT LEAVE

Regular employees will be allowed bereavement leave with pay in the event of death in the employee's immediate family, to make household adjustments, arrange for medical service and to attend funeral services. Bereavement leave shall be limited to three (3) days in any one instance. Two (2) additional days of bereavement leave may be granted when the one-way travel is a distance of 250 miles or more. For the purpose of this section the definition of immediate family includes only persons related by blood or marriage or legal adoption in degree of consanguinity of spouse, parent, grandparent, sibling, child or grandchild of the employee, but no aunt, uncle, niece, or nephew unless living in the employee's household. Employees on approved leave cannot substitute Bereavement Leave for approved PTO.

ARTICLE 15 - DISCIPLINE AND DISCIPLINARY PROCEDURES

15.1 Just Cause. The Sheriff or designee may discipline an employee for just cause. Discipline shall be carried out in a manner which is least likely to embarrass the employee before other employees or the public. The Sheriff may suspend without pay following appropriate due process procedures, demote, reduce pay in lieu of suspension, or discharge an employee for a serious event which constitutes just cause for discipline.

15.2 Forms of Discipline. Disciplinary action or measures shall include only the following:

- (a) Written reprimands;
- (b) Suspension;
- (c) Reduction of pay for a term in lieu of suspension;
- (d) Demotion with a reduction in pay as specified by the County as part of the discipline;
- (e) Discharge.

Discipline will not be imposed nor will documentation of discipline be placed in a personnel file unless signed and approved by the Sheriff or on their direction to their designee to do so.

15.3 Discipline Considerations. The parties agree that progressive and escalating levels of corrective action, forewarning and discipline are preferable to allow an employee proper notice of performance expectations and the opportunity to improve performance and to allow the Sheriff to document prior disciplinary matters. Due to the professional nature of bargaining unit classifications and the knowledge, skill, responsibilities and abilities associated with the classifications, there is no requirement that corrective or disciplinary action begin at a predetermined level. The level or degree of discipline imposed shall be appropriately based on an employee's prior record of service, length of service, severity of

offense and prior record of corrective action and/or discipline; the order in which these criteria appear is not indicative of their priority. All previous disciplinary actions in an employee's file may be evaluated and considered in a disciplinary action (1) if related to an occurrence within the prior 18 months, or (2) if related to a similar conduct, performance or attendance deficiency.

- 15.4 Probationary Employees. The provisions of this Article shall not apply to newly hired employees serving a probationary period. Probationary employees shall work under the provisions of this Agreement, although they may be discharged without just cause without further recourse. Probationary employees shall not have any recourse through the grievance procedure or Civil Service for the purposes of resolving disputes pertaining to discipline inclusive of written warnings, suspensions and/or discharge.
- 15.5 Bill of Rights. In order to maintain public credibility and accountability, circumstances often require an immediate investigation by superior deputies designated by the Sheriff. The following guidelines are intended to ensure that these investigations are conducted in a manner which is conducive to good order and discipline of the Sheriff's Office.

Any employee who will be interviewed at a disciplinary interview concerning an act which, if proven, could reasonably result in disciplinary action involving loss of pay or dismissal, will be afforded the following safeguards:

- (a) When the Sheriff or his designee has basis to investigate a question of employee conduct or performance, such investigation will be commenced within 30 days of the Sheriff's knowledge of the basis for investigation. Whenever the Sheriff or his designee decides to conduct a formal internal investigation, any employee who is the subject of the complaint shall be informed in writing of the nature of the investigation. Written notice shall include sufficient information necessary to reasonably apprise the employee of the allegations of the complaint and that this Article applies.
- (b) Any interview of an employee shall be at a reasonable hour, preferably when the employee is on duty, unless the exigencies of the investigation dictate otherwise. Where practicable, interviews shall be scheduled for the day-time.
- (c) Interviews shall take place at the Franklin County Sheriff's office facility, except where impractical. An employee who reasonably anticipates that they may be disciplined under the circumstances shall be afforded the opportunity for a representative of the Union to be present at the interview. The employee will be allowed a reasonable time under the circumstances to obtain a Union representative to be present at the interview. The representative shall not be a subject or witness of the inquiry. The representative may participate in the interview, may ask to have questions clarified, may suggest that the employee give a more thorough answer, may object to questions outside the announced scope of the interview, and may object to what they believe is harassment. The representative, however, shall not interfere or impede the progress of the interview nor can they direct the employee not to answer

any of the questions asked. The interview shall not be overly long and at any time during an interview, the employee or their Union representative may request to take a break for personal necessities, meals, telephone calls, and rest periods, provided no question from the investigator is pending. The investigator shall grant the request for a reasonable time. This section shall not preclude the Sheriff or their designee from ordering a statement immediately, provided that the inquiries are limited in scope to enable investigators to understand what occurred in order to investigate, collect evidence, prevent the destruction of evidence, and preserve evidence. Any such preliminary statement shall not be used against the deputy in any criminal proceeding.

- (d) It shall be unlawful for the County to require any employee covered by this agreement to take, or be subjected to, any polygraph or any polygraph type of examination as the condition of continued or continuous employment or to avoid any threatened disciplinary action. This section does not exclude mutually agreed upon exculpatory polygraph examinations.
- (e) At the consent of both parties an administrative interview may be recorded. One (1) copy shall be provided to the employee and one (1) copy to the Union representative. Within three (3) days prior to pre-disciplinary hearing, the employee shall be advised of the results of the investigation, the recommended disposition, and shall be furnished a complete copy of the investigation report. Employees shall not be subject to any abusive or profane language, nor shall investigators make any promise or offer of reward as an inducement to answer questions.
- (f) Use of Deadly Force Situations. When an employee, whether on or off duty, uses deadly force which results in the injury or death of a person, or discharges a firearm in which no injury occurs, the employee shall not be required to make a written or recorded statement for 24 hours after the incident except that immediately following the incident the employee shall verbally report to a superior a brief summary of the incident and any information necessary to secure evidence, identify witnesses, or apprehend suspects, and may be requested to conduct a walk through. The affected employee may waive the requirement to wait 24 hours.
- (g) Within three (3) days of the completion of the investigation and at least three (3) days prior to pre-disciplinary hearing, the employee shall be advised of the results of the investigation, the recommended disposition, and shall be furnished a complete copy of the investigation report.

The Sheriff's Office shall maintain only one (1) working personnel file for each deputy, maintained in the Franklin County Human Resources Department. The personnel file shall include, but is not limited to: all misconduct and equal employment opportunity complaints, progressive discipline (e.g., written reprimands, supervisor coaching, suspensions, involuntary transfers, investigatory files) and disciplinary appeal and litigation records. The County shall maintain a deputy's personnel file while employed with the County and 10 years afterwards.

The Sheriff's Office will report any misconduct by a deputy and resulting discipline as required by law. Upon receiving a request for all or part of a deputy's personnel file, the County shall notify the affected deputy of the request. Except as otherwise required by law, the County shall delay the release of a deputy's personnel file for three (3) business days after receiving said request. The County will not produce any information within a deputy's personnel file that State law does not demand its release.

This section shall not apply to a criminal investigation conducted by another law enforcement agency. Furthermore, this section shall not prevent informal inquiry following any report of potential misconduct to the Sheriff's Office. The informal inquiry will be limited to determining what occurred according to the involved deputy. The Sheriff's Office agrees that it shall only rely upon the involved deputy's formal interview statement for all administrative purposes.

15.6 When the Investigation Results in Disciplinary Charges Being Recommended.

- (a) The employee and the Union, upon request, will be furnished with a copy of the summary report of the investigation.
- (b) If the supervisor's decision is to recommend dismissal, demotion, reduction in pay, or suspension without pay in accordance with Loudermill case law, the following procedures will be followed:
- (c) The employee and the Union shall be provided with written notice of the charges for the disciplinary action, the facts upon which the charges are based, and the range of discipline under consideration. The notice shall state that the employee has the right to a hearing for the purpose stated in this Article of this Agreement.
- (d) A hearing before the Sheriff or the Sheriff's designee shall be scheduled upon written request of the Union within 10 calendar days after receipt by the employee and the Union of the notice. Failure to request a hearing within such period shall constitute waiver of the right to a Loudermill hearing.
- (e) The employee and the Union shall have the right to have an Union representative at the hearing.
- (f) At the hearing, the employee and the Union may present written or oral arguments, the employee's account of the events, otherwise refute the charges, and explain factors in mitigation.
- (g) The Sheriff or the Sheriff's designee shall provide the employee and the Union written documentation of the decision within 15 days.

- (h) Pursuant to RCW 43.101.135, any discipline imposed by the Sheriff's office shall remain in the employee's personnel file while they are employed by the County and for 10 years thereafter.
- 15.7 When Disciplinary Action Results. When the investigation results in a determination of sustained complaint and disciplinary action, only the findings and the disciplinary order may be placed in the employee's personnel file.
- 15.8 Just Cause Standard. For purposes of this Agreement, "just cause" shall be defined as a cause reasonably related to the employee's ability to perform required work including, but not limited to, competence as an employee, violations of work rules, regulations or written policies, and such other factors as are commonly held by arbitrators to comprise just cause. It is recognized by the parties that each situation calling for possible disciplinary action is unique to its particular circumstances and that appropriate disciplinary action will be considered in the context of such circumstances.
- 15.9 Probationary Employees. This Article shall apply to disciplinary action involving probationary employees, except for dismissal. The parties recognize that a decision that an employee has failed to satisfactorily complete probation is administrative and is not discipline.

ARTICLE 16 - GRIEVANCE PROCEDURE

- 16.1 Purpose. The parties recognize the need for fairness and justice in the adjudication of employee grievances and enter into this Agreement in a cooperative spirit to adjust such actions promptly and fairly. If, however, a grievance cannot be resolved through informal means, the grievance will be settled as hereinafter provided.
- 16.2 Grievance Defined. A grievance is defined as a dispute involving the interpretation, application or alleged violation of any provision of this Agreement between the County and the Union.
- 16.3 Filing. Any party who believes that the other has violated this Agreement may file a grievance and apply for relief under the provisions of this Article. The grievant's Union Steward may attend the arbitration hearing without loss of pay when the Steward's presence is necessary as a witness.
- 16.4 Time Limits. The time limitations provided are essential to the prompt and orderly resolution of any grievance, and each party shall abide by the time limitations, unless waived or extended by mutual agreement of the parties.

If any party fails to file a grievance within 15 calendar days of its occurrence, then such dispute and grievance shall be forever waived if a matter involves disciplinary action, then any party must file either a written demand for an investigatory hearing before the Civil Service Commission or a grievance within 15 calendar days from the date of such disciplinary action, otherwise such appeal or grievance is forever waived. Failure to pursue a

grievance to the next step renders final and conclusive the last determination and response of the party against whom the grievance was filed.

16.5 Informal Resolution. A grievance may be verbally presented by an aggrieved employee to the employee's immediate supervisor at any time prior to Step 1. The immediate supervisor shall respond within five (5) working days. If the matter is not satisfactorily resolved, then the grievant may initiate a formal grievance in accordance with this Article at Step 1 under the following procedure which, in any case, shall commence within 15 calendar days of the occurrence which gives rise to the grievance.

16.6 Grievance Procedure. The formal grievance procedure shall be as follows:

Step 1: The grievance shall be presented in written form to the employee's division head within 15 calendar days from the disciplinary action or occurrence. Since disciplinary action is not final unless approved by the Sheriff, a grievance based on discipline may be presented in written form within 15 calendar days from notification of imposition of discipline directly at Step 2 of the grievance procedure. The written grievance shall state the facts giving rise to the grievance; identify the articles of the contract that the party believes have been violated, and state the remedy desired. The division head shall respond in writing to the aggrieved employee within 10 calendar days after receipt of the grievance.

Step 2: If the grievance is not resolved to the satisfaction of the concerned parties at Step 1, then within 10 calendar days of their response in Step 1, above, the grievance, in written form, shall be presented to the Sheriff, unless the grievance is one which has been initiated in Step 2. Thereafter, the Sheriff shall respond in writing to the aggrieved employee within 10 calendar days after receipt of the grievance.

Step 3: Upon mutual agreement a grievance not resolved under the above steps may be referred to PERC mediation.

Step 4:

- (a) Final and Binding Arbitration. If the grievance has not been resolved at Step 2, either party to this Agreement may refer the grievance to final and binding arbitration.
- (b) Notice – Time Limitation. The referring party shall notify the other party in writing by certified mail of submission to arbitration within 10 calendar days after receipt of the Step 2 response.
- (c) Arbitrator Selection. After timely notice, the parties will select an arbitrator in the following manner:
 - (i) The Union representative and the County will attempt to mutually agree on an arbitrator within 10 days after receipt of the request for arbitration. If the parties can mutually agree on an arbitrator, the hearing will be held at the

earliest possible mutually agreeable date. If the parties cannot agree on a neutral arbitrator, the provisions of paragraph (ii) will be implemented.

- (ii) In the event the parties do not mutually agree on an arbitrator, either party may request that the Public Employment Relations Commission (PERC) submit a list of 13 names from the PERC register. If the parties cannot mutually agree on a neutral arbitrator from the list of 13 then the parties shall flip a coin. The parties shall alternately strike names and the remaining name shall be the arbitrator.

- (d) Decision – Time Limit. The grievance shall be heard by the designated arbitrator at the earliest possible date after the selection. After completion of the hearing, a decision shall be entered within 30 calendar days, or as soon as possible thereafter, unless an extension of time is granted. Any decision of the arbitrator shall be final and binding on the parties, unless contrary to public policy or in excess of the arbitrator’s authority herein provided for.

- (e) Limitations, Scope and Power of Arbitrator.
 - (i) The arbitrator shall not have the authority to add to, subtract from, alter, change or modify the provisions of this Agreement.
 - (ii) The power of the arbitrator shall be limited to interpretation of and application of the terms of this Agreement or to determine whether there has been a violation of the terms of the Agreement by either the County or the Union.
 - (iii) The arbitrator shall consider and decide only the issue raised in Step 1 or Step 2 when the grievance was first initiated.
 - (iv) The arbitrator shall not have the authority to consider additions, variations and/or subsequent grievances beyond the grievance submitted at Step 1 or Step 2.

- (f) Arbitration Award – Damages – Expenses.
 - (i) Arbitration awards shall not extend beyond the date of the occurrences upon which the grievance is based, that date being 15 calendar days or less prior to the initial filing of the grievance.
 - (ii) The arbitrator may retain jurisdiction of the grievance until such time as the award has been complied with in full.
 - (iii) The arbitrator shall have no authority to award damages in any form except to remedy loss of earnings due to a violation of this agreement.

- (iv) In the event that either party determines that the arbitration award was made beyond the jurisdiction of the arbitrator or that the arbitration award was clearly erroneous or that the arbitration award was arbitrary, capricious and unreasonable in light of the evidence presented, then such party shall declare the basis for its decision not to comply with the arbitration award and the parties thereafter are free to pursue available remedies in the Superior Court.
- (v) Each party hereto shall pay expenses and costs it incurs as associated with the presentations of their case. The cost of the arbitrator shall be shared equally by the parties. In connection with grievance and arbitration pursuant to Article 15, the County and the Union shall each be responsible for its own attorneys' fees; the County and the Union expressly waive any right to recover attorneys' fees pursuant to RCW 49.48.030 or any other statutory provision. Further, expenses for arbitrator's services in the proceedings shall be borne equally by the County and the Union. However, each party shall be responsible for any other expenses incurred.
- (vi) If the parties agree in advance, or if both parties decide to obtain a transcript, then the expense of the court reporter and transcript shall be shared equally.

ARTICLE 17 - UNIFORMS AND CLOTHING ALLOWANCES

All required equipment and uniforms will be provided by the Franklin County Sheriff's Office.

ARTICLE 18 - WAIVER OF PORTION OF AGREEMENT

The expressed provisions of this Agreement may not be waived except by mutual agreement of the Union and the County, and in any individual case, the affected employee. Neither County nor Union will ask for or accept a voluntary waiver by an employee without prior consent of the other party.

ARTICLE 19 - SAVINGS CLAUSE

All expenditures and obligations imposed hereunder must meet requirements of Washington law. This Agreement shall in all respects, wherever the same may be applicable herein, be subject and subordinate to the ordinances of the County and regulations within its statutory jurisdiction, and shall further be subject and subordinate to the statutes of the State of Washington. Should any article, section or portion thereof of this Agreement be held unlawful or unenforceable by any court of competent jurisdiction, such decision of the court shall apply only to the specific article, section or portion, directly specified in the decision. Upon the issuance of such a decision, the parties agree immediately to negotiate a substitute for the invalidated section or portion thereof.

ARTICLE 20 - STRIKES AND LOCKOUTS

20.1 **Strikes Prohibited.** The County and the Union agree that the public interest requires the efficient and uninterrupted performance of all County services. To this end, both pledge their best efforts to avoid or eliminate any conduct contrary to this objective. Neither the Union

nor the employees shall cause, condone or participate in any strike or work stoppage, slow down or other interference with County functions by employees of the County, and should the same occur, the Union agrees to take appropriate steps to end such interference immediately.

- 20.2 Discharge for Violations. The Sheriff or designee may discharge and/or discipline any employee who violates Section 20.1. No employee shall be entitled to any pay and/or benefits for the period in which they engaged in any strikes, slowdowns, work stoppages or other interference with work.
- 20.3 Injunctions and Damages for Violations. Nothing contained herein shall preclude the County from obtaining judicial restraint and damages in the event of a violation of this Article.
- 20.4 Lockout Prohibited. No lockout of employees shall be instituted by the County during the term of this Agreement.

ARTICLE 21 - HEALTH AND WELFARE

21.1 Health and Welfare Benefits.

Effective beginning in the payroll period following ratification by both parties and signature by the last signing party, the County will contribute a maximum of \$1,379.56 per month toward the medical, dental, vision, basic life insurance, long term disability and employee assistance program premiums.

- (a) Copayment of Premium. Any amounts in excess of the County's maximum medical contribution, as established above, necessary to pay the premiums for the employee and/or dependents shall be the responsibility of the employee by payroll deduction.
- (b) VEBA Contribution. The difference between the premiums for the plans selected by the employee and the amount of County contribution, if greater, will be paid to the employee's VEBA account.
- (c) Required Participation. Employees shall participate in coverage as required by the Benefits Administration Policy.
- 21.2 Changes. The County shall determine which insurance programs and benefits may be continued or implemented periodically. If there are changes in the insurance programs, the County will notify the Union. Such notification shall not diminish the right of the County to change the benefit structure, benefit level and/or premium level, nor the right of the Union to demand to bargain over the impacts of the change. If the insurance company or companies providing the above-referenced benefits notifies the County of changes in the premium structure and/or benefit levels, then and in that event the Union and employees shall comply with such changes if requested to do so by the County.
- 21.3 Employee/Insurer Disputes. The Union and/or the employee will indemnify and hold the County harmless from any and all claims made against any and all suits instituted, against

any insurance carrier regarding any disagreement with said carrier relating to claims and/or coverage. Any and all disputes or disagreements and/or claims regarding insurance claims and/or coverage are not grievable by the Union and/or the employee.
